COMMENTS & REASON FOR DECISION:

Angela you put discourse on highest layer and ~~use~~ the term "user." Not sure you cut it in time. It's in the doc. You're using the discourse.

1. Perm works
2. CP evidence (solvency) really weak
Coper is inflated - I think it is defense to the Aff by itself but not offense against a perm
3. Neg refuses to acknowledge distinction between reparations/rehab offense or AFF & incarceration offense or CP offense
